Deputy General Director  
Mr. Rasim Borishi

Dear Mr Borishi

On behalf of the OSCE/ ODIHR EOM security I convey my sincere thanks to yourself and the Public Order & Security department for the excellent cooperation shown to the EOM during the recent Parliamentary elections.

The professionalism and dedication shown by the police on duty during this period was commendable, there were no detrimental reports with regard to police activity submitted by any of the Long Term or Short term observers.

Thank you for your assistance, and obviously police training for elections related duties was a major part of your success.

Yours sincerely,
